

Archives of American Art (Smithsonian)

What you will find in this database

The collections include more than 16 million letters, diaries and scrapbooks of artists, dealers, and collectors; manuscripts of critics and scholars; business and financial records of museums, galleries, schools, and associations; photographs of art world figures and events; sketches and sketchbooks; rare printed material; film, audio and video recordings; and the largest collection of oral histories anywhere on the subject of art—are a vital resource to anyone interested in American culture over the past 200 years.

How to Access

From campus & home/off campus:

This online resource is free to access; simply click the link from our resources page.
