

ArtNet (Price Database)

What you will find in this database

Fine and Decorative Art Auctions database with over 2.9 million records from over 500 auction houses since 1985. Over half of the records include illustrations. Over 1,000 galleries are featured. The library subscribes to the Price Database only. Market Trends are not covered by the subscription.

How to Access

From campus:

Access the database by clicking the link on the eresources page on the library website.

From home/off campus:

Access the database by clicking the link on the eresources page on the library website. You will be prompted to enter your SIA username and password to log on to the proxy server for the first resource you select. As long as your browser session remains open, you will be able to access all other resources without having to log on to the proxy again.

Filters: Old Master Paintings, Primitives and Drawings All Countries Artifact Live! Sales All Dates All Houses Featured Sales

How to browse:

On the homepage, select your filters from the drop down menus: Type of work; Dates; Countries; Auction houses.

The filters will narrow down results that you can browse through.

How to search:

Use the search box in the upper right corner of the page.

Alternatively, click the advanced search feature to make a more targeted search. The advanced search has several fields that will narrow your search results.
